ACCESS AUTHORIZATION

THIS ACCESS AUTHORIZATION (the Authorization) is made as of this 27th (day)
of March (month) 2009, and is by Billy Freeman (Owner/Tenant),
for the address of (b) (6) (Property).

(b) (6)

WITNESSETH:

Owner/Tenant consents as follows:

1. Owner/Tenant grants authorization to the United States Environmental Protection Agency (EPA), its officers, employees, contractors and other authorized representatives for limited access to enter the Property identified above. Such access is for the limited purpose of conducting groundwater sampling work on the Property.

EPA's activities at the Property will include the following:

- a. Collect groundwater samples;
 - b. Inspect, sketch, photograph, and/or videotape work being conducted on the Property;
 - c. Transport equipment onto and about the Property as necessary to accomplish the above noted activities; and,
 - d. Access and enter structures and/or move any object that may obstruct access to accomplish the above noted activities.
2. Owner/Tenant understands that EPA and its authorized representatives who will be conducting the sampling work on the Property will not access portions of the Property that are not subject to this Access Authorization.
 3. Owner/Tenant understands that all sampling work on the Property will fully comply with all applicable federal, state, and local laws, rules and regulations, and that Owner/Tenant is not responsible for obtaining or paying for any applicable permits related to the activities to be conducted on the Property.

(b) (6)

EPA:

Matthew J. Huyser

U.S. EPA Region 4

61 Forsyth Street S.W.

Atlanta, GA 30303-8960

(404) 562-8934

(404) 562-8699

6. Owner/Tenant denies any responsibility or liability for the presence of any soil, sediment, or ground or surface water impacts existing on the Property or for any release of such materials during the performance of the sampling work under this Access Authorization. Nothing in this Access Authorization shall be construed as an admission by Owner/Tenant of any responsibility or liability concerning any such impacts to the Property. Owner/Tenant reserves any and all rights, claims, and defenses that it may have with respect to the sampling work conducted on the Property.
7. The consent for access and use granted herein will commence on March 30, 2009, and will continue until September 30, 2009. If the access and use granted herein is to extend beyond September 30, 2009, EPA shall provide an additional written Access Authorization to Owner/Tenant.
8. Owner/Tenant understands that this Access Authorization does not restrict or prohibit Owner/Tenant's right to sell or lease the Property.
9. Owner/Tenant understands that the sampling activities conducted by EPA are undertaken pursuant to EPA's response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act (Superfund), 42 U.S.C. Section 9601 *et seq.*, as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA) (Public Law 99-499).

Drinking Water Survey

Name not present

Address (b) (6)

Do you currently use your well water for drinking and cooking? If not, when did you stop, and why?

Has your well been sampled before? If so, by whom, and was there any contamination in your well?

Have you been advised to not use your well water for drinking or cooking?

How many persons (or houses) are served by the well?

How deep is your well?

In what year was your well drilled?

Who drilled the well?

What other activities do you use your well water for ? (check all that apply)

☐ Bathing ☐ Water for commercial crops
☐ Water for commercial livestock ☐ Gardening

Do you have a filtering system or treatment system for your well, if so, what kind?
